Description

5FT Maples Art Deco Bed Headboard and Bedside Cupboards A charming Art Deco Double Bed head with bedside Cabinets This is a superb piece of stylish art deco design, though now is looking a little shabby but in a very chic way The Headboard is in the Odeon style with a sweeping top line falling down to the cupboards on each side, the headboard a 5ft bed fits perfectly into the opening The finish of this piece is very unusual, the outer detail is painted in silver and the inner is a marbled textured effect, in subtle Champaign and duck egg blue It may be possible to restore this piece to its former glory but I fear these techniques are now lost to us so best to enjoy the bed as a piece of genuine shabby chic. The bed came from Maples and is structurally sound The headboard is 93" wide and 56" high at the centre, the space between the cabinets is 64" FR602 We Give Free Delivery to Mainland England & Wales, to see all of our current stock please visit our web site at www.elmgarden.co.uk Delivery times vary from 7 to 28 days FR602
