

SA239413

Mahogany, fusee, drop-dial wall clock

Price

Sold

Item Reference: SA239413

Date of manufacture: 1850

Description

A fine quality drop-dial wall clock by W. McFARRAN, 112, Victoria St, MANCHESTER. He is recorded as working here in 1851. This is a very attractive clock being made from super quality mahogany and having a very narrow surround to the dial. It has a glass aperture to the lower half of the case through which the brass pendulum can be seen. There are hinged doors to the side and base of the backbox. A heavy cast brass bezel with bevelled glass and silvered sight ring. The 12" painted dial has black Roman numerals and beautiful cut blued pointers. The 8 day, fusee movement has just been fully overhauled by our BHI registered staff. All of our clocks carry a full 12month gaurantee and are all available for export Worldwide.
