

SA239859

A Magnificent Regency
Pedestal Desk in the manner of
'Thomas Hope'

Price

Sold

Item Reference: SA239859

Date of manufacture: 1800

Description

This superb Regency desk has a fitted natural coloured real hide leather inset with exceptional gold and blind embossed tooling. The top is supported by two stylish pedestals that have eight mahogany lined drawers of which either side are Pharoahrian Brass Mounts on tapered columns with brass feet. The back of the desk has simulated drawer fronts that are identical in appearance to the front façade. A rare opportunity to own a very decorative and functional piece of fine furniture from the stylish regency period. *Free Delivery* Width: 148 cm Depth: 73.5 cm Height 76.5 cm Knee Ht 62 cm
