Price

Sold**Item Reference: SA240668****Date of manufacture: 1800**

Description

Good Georgian Scottish mahogany X frame stool with probably the original needlework top. Nice shape to the wood work with some carved decoration. Bead moulding running around the stool before the cover. No damage to the woodwork which is unusual for one of these stools as they are nearly always broken. SIZES; 21 1/2" by 19" by 17" high overall
