Description

Professionally restored and converted. This is a fabulous opportunity to acquire a solid brass genuine Victorian table or bedside lamp dated to around 1890. Originally a candlestick with the wonderful balustrade design, it has now been converted into a table lamp by a fully qualified electrician and is ready for immediate use. It also has a brand new shade in a 'bow tie' cream colour which comes with the lamp. It is in excellent condition with the brightness of the solid brass yet retaining the patina which you would expect of genuine Victorian pieces. It measures 19 inches in height including the shade. This is a beautiful genuine lamp and not to be confused with reproductions.
