Description

Professionally restored and converted. This is a fabulous opportunity to acquire a pair of solid brass genuine William IV table or desk lamps dated to around 1830. Originally candlesticks with the wonderful design, they have now been converted into table lamps by a fully qualified electrician and are ready for immediate use. They also have brand new shades in a Regency green colour which comes with the lamps. They are in excellent condition with the brightness of the solid brass yet retaining the patina which you would expect of genuine William IV pieces. They measures 16 inches in height including the shade. These are beautiful genuine lamps and not to be confused with reproductions.
