A mahogany inverted breakfront bookcase, of small size, all in excellent condition and super colour, all shelves can be adjusted, with drawers and shelves to the base. This bookcase has been adapted to this small size sometime in the last eighty years, (antique breakfront bookcases were never made this small) but has done very well and makes a very elegant and practical bookcase, measuring only 58.5" tall by 41.5" wide by 14" deep.
