

SA242035

C19th French bronze study of the Emperor Napoleon Bonaparte

Price

Sold**Item Reference: SA242035****Date of manufacture: 1850**

Description

C19th French bronze study of the Emperor Napoleon Bonaparte. Mounted on siena marble (marmo giallo) base ,well-modelled study of Napoleon dressed in full uniform, gloves in hand, in contemplation with charts laid out before him , astride a dilapidated chair on a naturalistic cast base. Possibly a study showing him in repose before battle.... or maybe in defeat? Base 6" x 3" H 5".France c 1850
