PAIR OF WALNUT & GILT MIRRORS circa 1920

Price

Sold**Item Reference: SA242234****Date of manufacture: 1920**

Description

This PAIR of WALNUT & GILT MIRRORS, made in the style of the early 18th century, date from circa 1920. Dimensions: Height (including carved crest): 26.5 inches (67.5 cm) Width: 16.25 inches (41.5 cm) Each MIRROR is made in exactly the same way although, as can be seen from the photographs, one has a much older looking glass and there is a very slight variation in the indent on the sides. The overall condition of the MIRRORS is good with just age-related wear.
