Description

Pair C19th French bronze cherub candelabras of Louis XVI style in the manner of Clodion. Twin-branch ormolu bronze foliate candle-arms supported by well-cast garlanded cherub/amorini patinated bronze figures. Leaning against 'tree-stump' supports and standing on naturalistic bases upon fluted white marble truncated column plinths with cast ormolu wreath decoration. Excellent quality and finish. Require re-wiring which can be completed to clients specification (inclusive). H (to candle-arm top) 20" Base 6" sq. France c 1860.
