Description

A fabulously decorative pair of silverplated candlesticks with handsome bamboo style columns and classical style square bases. They are unmarked, but we have a very similar pair in style by Walker and Hall with a date mark for 1889, I would date this pair to the same period; the quality is superb and undoubtedly made by a top-notch silversmith. Excellent condition, measuring 4" square and standing 7" tall. Item ID: 35171 FREE Worldwide Registered Airmail Directly From London, England
