Description

Antique Victorian distressed leather 'Day Bed', in excellent condition, dating to around the 1880's period. It's deep buttoned, with a great colour, hand tacked & has loads of character. It sits on turned mahogany or walnut legs, with the original brown porcelain casters still attached. The leather may not be the original to the piece, but it's been on a long time & my leather specialist just revived & polished it. The upholstery inside is all good & the springs are tight. Length - 72", 183 cm Depth - 27", 69 cm Height - 31", 79 cm
