Description

Good quality antique early Victorian mahogany table, which as you see from the title could have many uses. It still has the original back piece to stop things sliding off. It has two drawers with turned handles & it sits on turned fluted legs. This piece is in good condition & the wood has a great colour. I would date it to around the 1840-60 period. Width - 36.6", 93 cm Depth - 19.8", 50 cm Height to top of back - 32.3", 82 cm Knee height - 23.7", 60 cm
