Description

This really attractive clock has a 12" convex painted dial with black Roman numerals. It has a heavy cast brass bezel and convex glass. Made from very high quality mahogany, the case is beautifully polished and has a nice narrow surround to the dial. The lower half of the case has brass inlay and a brass surround window through which the pendulum can be seen working. It has a side inspection door to the backbox and a key lockable door to the base. The 8 day fusee movement has just been fully overhauled by our BHI registered staff. All of our clocks carry a full 12mth guarantee and all are available for export Worldwide.
