Description

A Harlequin Set of 6 Victorian Beech & Elm Wheel Back Windsor Kitchen Dining Chairs. The chairs are a classic design and traditionally made from solid wood. They have hooped wedge backs in the traditional Windsor style with slight differences in the turnings of the legs and the design of the back centre splat in the shape of a wagon wheel. They all have a well-shaped saddle seat. These are very sturdy chairs; they are very sound, the joints are all good, there is no woodworm or wobbling, the wood has a very good natural patination and has not been stripped. This is a good quality set of six chairs and would be the perfect addition to any Farmhouse Kitchen. The chairs are 36" high at the back, the seats are 18" high, 16" wide across the front. DL118.
