Description

Very stylish solid walnut antique X framed stool upholstered in a light grey linen fabric. It has beautifully shaped X-framed ends with a cut out groove running through the middle & it has a turned stretcher joining the legs, which gives it more stability. I would say this stool dates from around the 1910 period, although it may be older, possibly even from the Regency period, because it's definitely Regency in style. It has just been polished & so it's in excellent condition. Width - 30", 76 cm Depth - 19.7", 50 cm Height - 18", 46 cm
