Description

Antique Edwardian distressed leather armchair, which could also be used as a desk chair. The leather is naturally distressed, hand tacked, in good original condition & it has a lot of character. It sits on tapered mahogany legs & this chair is very stable. I believe the leather is original to the piece & it has a wonderful original colour. I would say it dates to around the 1900-10 period. Width - 24", 61 cm Depth - 25", 64 cm Height - 33", 84 cm
