Description

A magnificent French sewing box made from Fruitwood (Apple) and decorated with the most elegant polished steel mounts with a ring handle in the centre of the lid and an escutcheon to the front. The box is in superb condition, inside and out. I think it must have been safely tucked away for many years retaining its original interior paper and silk lining and the quite wonderful Mother of Pearl sewing implements, all looked untouched, I am uncertain if the sewing tape moves in and out and it really shouldn't be forced being nearly 200 years old. The pearl shell is all in remarkable condition. Complete with a working key, this is a gem! 9 5/8" x 6 5/8" x 4" tall. Item ID: 35228 FREE Worldwide Registered Airmail Directly From London, England
