Description

Made by Afshar tribes around 1870/1880, this is a very fine and beautiful example of the best of 19th century Afshar work. The rug is in good condition overall with evenly low pile and complete with brocaded skirts at each end - something rarely seen these days. This rug, in my opinion, is one of the best small examples of Afshar work I've handled. Size: 1.64m x 1.21m (5' 4" x 4' 0").
