Sold**Item Reference: SA248698****Date of manufacture: 1900**

Description

An good quality oak 8-day VIENNA REGULATOR by Lenskirk in perfect working order. Of elegant "restrained" design (not fond of the more ornate ones!) this impressive wall clock features a carved architectural pediment; stylised Corinthian columns either side of the long glazed door, and a pretty shaped base. The eight-day twin-weight movement strikes hours and half-hours on a melodious gong and the original two-piece enamel dial is in perfect condition. Good "warm" colour.
