Description

Very impressive old antique French style Swedish commode in good original condition, with three drawers. This piece has many fine details to look at, so please take a good enlarged look at all of the images. I believe this item dates from around the 1910-20's period & it has just been polished. The original rouge marble top has some beautiful graining to it, with a great colour & is in perfect condition. This commode is made up from many different woods & most of the more exotic woods incorporated within the various marqutries I'm not that knowledgeable about. I can see rosewood, walnut, kingwood, satinwood & satin birch. There is so much intricate detail that the more you look the more you discover. It also has gilt bronze mounts, handles, feet & fittings. Width - 43.8", 111 cm Depth - 18.5", 47 cm Height - 33", 84 cm
