

SA250044

Barber of Yarmouth moving swan Longcase clock

Price

Sold**Item Reference: SA250044****Date of manufacture: 1800**

Description

A good quality Georgian longcase clock with rarer feature of a moving swan to the arch. A fretted hood pediment with 3 original brass finials. Corinthian brass capped hood columns. An arched trunk door. An early example of arched painted dial with raised gilt corners with flowers. Date and seconds indicators with fine quality brass crown hands. A swan automaton to the arch. An 8-day duration mechanism striking the hours on a bell. Thomas Barber of Great Yarmouth is recorded in Birds' 'Norfolk and Norwich Clockmakers' book as working 1790-1839. Height 7ft 2 " / 219cms. From Kembery Antique Clocks Ltd you can expect a genuine antique clock with a written 12 month guarantee which has been serviced to a high standard. To our UK customers we offer to personally deliver and set the clock up for you. For our International customers please email us and we can give you a competitive price for professional packing, crating and sending. Instructions to set the clock up are included and full paperwork for customs.
