

SA250200

Mid 19th CENTURY COPPER & BRASS ICE BUCKET WINE COOLER

Price

Sold

Item Reference: SA250200

Date of manufacture: 19th Century

Description

Standing approximately 8.75 inches (22.5 cm) high and having a maximum diameter of 10.25 inches (26 cm), this generous COPPER ICE BUCKET or WINE COOLER with BRASS handles dates from around 1850. There is good 'keyed' detail to the sides and base. There are no holes or repairs just some age-related marks.
