Description

This is a fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Rotary. The 21 jewel manual wind movement is in fabulous condition and looks as if it has never been worn even the box looks like new. The original dial is perfect, it has gilt hands and baton markers/numbers, it also comes with its original Rotary buckle. The glass and case are totally unmarked and the watch looks completely like new. As you would expect the watch is fully marked on the dial, movement and case. It comes with its original presentation box and a brand new black leather strap. The case has a full set of British 9ct gold hallmarks. Rotary are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch is a full size gents measuring 32mm in diameter not including the crown. Overall this watch is in outstanding condition and highly sought after by Rotary collectors indeed it looks as if it was never worn. The watch movement has been fully serviced and is guaranteed to be a genuine Rotary in all respects. It has been professionally overhauled, the process is highly detailed an...
