Description

A wonderful and most usable piece of Victorian silver plate, made by the highly regarded silversmith's, Atkin Brothers of Sheffield. A very elegant oval shape, the edges of the rim and foot are beaded and the sides pierced or reticulated with a quatrefoil design. The last one I had of these had a design registration mark for 1873, so enables us to date this one accurately. Superb condition, measuring 10 1/4" x 7 7/8" x 2 1/4". Item ID: 35295
