A VERY SPECIAL FRENCH "GIANT" CARRIAGE CLOCK

Price

Sold**Item Reference: SA250325****Date of manufacture: 1860**

Description

A spectacular and rare GIANT French CARRIAGE CLOCK in a superbly engraved Cornice case. This highly impressive clock (illustrated next to a large Gorge-cased example, which gives a good idea of its size) retains its original huge platform lever escapement and has full GRAND SONNERIE striking (and repeating) of hours and quarters on two BELLS. There is a separate alarm train, and the traditional 3-position lever in the base, allowing the clock to be 'silent' if required. It is in full working order and is signed and numbered: "JD" ~ almost certainly for the maker: J. Dejardin. 10ins (25.4cms) high with handle up.

Internal Ref: 528
