Sold**Item Reference: SA250329****Date of manufacture: 1800**

Description

A very good early 19th century mahogany fold-over TEA TABLE, almost certainly by Gillows of Lancaster. The well figured solid top, with its reeded edges, opens to reveal the similarly well-figured interior, whilst the frieze features a central "tablet" ~ typical of Gillows. It is supported on a well-turned central column leading to reeded sabre legs and original cast brass castors. 36ins (91.5cms) wide. Splendid condition and a lovely warm colour.
