Description

A Victorian Mahogany Long Case Grandfather Clock. This is a very attractive piece, it has a 30 hour movement and works well keeping good time. The clock has a very attractive Mahogany and Oak case inlaid with boxwood and ebony. The clock comes from near Portsmouth, this explains the pretty scene on the face of a lovers farewell with a maritime scene behind. This is not a piece for a specialist collector as the movement has been restored but it is a superb decorative piece of interior design. The Clock is 89" tall, 21" wide and 10" deep. DL195.
