Description

Antique French style mahogany slim tall display cabinet, with painted panels on the bottom. It also has bowed glass on the door & side panels. There are gilt mounts all over this piece, which are nicely aged & good quality. I would say this cabinet dates from around the 1920-30's period & it's in good original condition. The inside lining is also original & there are two glass shelves (one of which is chipped, so it's being replaced), plus there is a working key. Width - 29.5", 75 cm Depth - 15.5", 39 cm Height - 69", 175 cm THERE ARE MANY MORE DETAILED IMAGES OF THIS & OTHER ITEMS ON MY WEB SITE www.churchstreetantiques.net
