Description

Fully and professionally restored. This is a wonderful opportunity to own a genuine Victorian oil lamp c1890. What really makes this lamp stand out is the black solid cast iron base which depicts figures from Greek mythology, the attention to detail is quite superb. It has a wonderful round etched shade in the typical Victorian design. It measures 24" high and the base is 6.5" wide. As you would expect from a piece of solid cast iron it is extremely heavy. You are more than welcome to view this lamp or any item we have listed, we have a large selection of antique lighting, companion sets and fire dogs so please take a look at our other items. Delivery within mainland UK is included in the price.
