Item Reference: SA251959

Date of manufacture: 1870

Description

SUPERB quality 19th century small Indian jewel box. Made primarily from brass with cast copper and silver panels to all four sides and the top. The detail of the casting is extremely good and the box itself is quite heavy for such a small size. Original purple felt lining inside. Very nice. SIZE; 3 1/4" square by 1 1/2" high
