Fully restored and service with a 12 month warranty. This is a beautiful example of a large 18ct gold plated Victorian repeating carriage clock dated to around 1890. Made by the Goldsmiths and Silversmiths Company, Regent Street, London who were renowned for the very finest jewelry, clocks and watches. The movement is of an exceptional high quality and has its original platform escapement and key, it runs for a full 8 days and keeps excellent time. It strikes on the hours and half hours on a tuned coiled gong and has a repeater button which strikes the previous hour. The movement is in excellent clean and running condition having just undergone a complete and comprehensive overhaul by Alan Wi...
