Price

**Sold****Item Reference: SA252070****Date of manufacture: 1890**

## Description

~~ Superb condition throughout ~~ This is a beautiful example of a classic Edwardian mantel balloon clock. The case is just incredible made of flame mahogany, the grain is just stunning complimented by box wood stringing around the front of the case, it has its original enamel dial which is in perfect condition, a contrasting brass bezel and small brass ball feet. The platform escapement movement is an outstanding piece of engineering and was obviously made by a highly accomplished maker, the dial is marked RC Marsh and Co Ltd Birmingham. The movement has just undergone a full service in our workshops so you can be assured that this clock is in tip top condition and will give trouble free service for many years to come. This is a small elegant beautifully made mantel clock in exceptional condition, the quality is truly outstanding and probably one of the best Edwardian balloon clocks we have ever seen. It is keeping accurate time to within 1 minute a week. Overall this is an outstanding condition clock and will give pleasure for years to come and because of its design and proportions will find a place in any home. The clock movement comes with a full 12 month warr...
