Description

Quality Victorian Readers Stand - Brass Fittings - c1880 This is a quality and useful magazine rack presented in very good antique order. The piece benefits from superb detailing and many quality touches such as the hoof feet with brass tips, the classically exotic twisted serpent handle, and the pressed brass finish caps over the cut stems at the top. Very nicely executed in bamboo with skilfully hand-painted birds and flora adorning the inset panels. Overall this piece of furniture is in very good condition and will make a great addition to any setting. Rare to see one of this standard.
