Description

C19th Regency period mahogany fold-over tea-table. Great timber and patina , all original , cleaned and waxed . Swivel action fold-over top with polished interior. Standing on four hipped and moulded sabre-type legs with brass lions-paw claw cap castors, turned centre column. The frieze has a flame-veneered centre classical tablet with ebony and box-wood stringing . Solid mahogany top has very slight shrinkage 'smile'/gap to front edge , but it does little to detract from the overall colour and quality of the table. A fantastic grade of timber and colour. A practical and adaptable table . W 36" x D 18" x H 29". England c. 1820
