Description

This is an exceptional and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Omega. It has a solid 18ct white gold case and 24 of the most exquisite large European cut diamonds which are incredibly white, bright and crisp, the sparkle they generate is absolutely amazing and are of grade GH colour. The total carat weight is approximately 2cts. The case measures 21mm square. The white dial is superb and it has peacock blue hands which makes it very easy to see and it has a genuine Omega winding crown, a new glass has been fitted and the case professionally cleaned and polished so it is absolutely pristine. It comes complete with a brand new black leather strap. The calibre 245 17 jewel movement is an absolute gem, sparkling clean and in like new condition, this is a movement from the golden age of Swiss watchmaking. As you would expect from Omega the watch is fully marked on the dial and movement and the case has a full set of hallmarks. It comes complete with a new premium presentation box to keep your watch in perfect condition. This is truly an exceptional piece and would have been bespoke made for someone special, a rare fin...
