Description

A pretty set of 4 chairs with drop in seats. These chairs are classic regency chairs with lovely, elegant sabre legs and a rope twist bar across the back. They are in very good condition. We guarantee they are sound - they have all been through our workshop. They are smaller in width than some Georgian chairs which can be useful when squeezing chairs around a table. They are 18" or 46cm across the front and the height is 32". The height to the seat is a standard 17". We are happy to re-cover the chairs with a fabric of your choice.
