Description

Mint condition, professionally serviced with a 12 month warranty. Outstanding solid 9ct gold gents pocket watch by the premier Swiss maker Cyma Tavannes. The 15 jewel watch movement is just superb, as you can see it is in fabulous like new condition. It is extremely rare in as much as it has a two tone colour changing dial slight variation in colour and textures depending on the angle when it is viewed, it is absolutely original as are the hands. A new glass fitted and the case professionally cleaned and polished so it is absolutely pristine. There are various service marks on the inside of the case one for 1941 and another for 1953. It comes with its original 9ct gold watch chain and presentation box from S J Crabb of Glasgow. The hallmarks are for Edinburgh c1939. The watch case is 48mm in diameter and the chain is 19 inches long. Cyma Tavannes is one of the most premier watch makers and this watch certainly has that understated elegance that whispers class, certainly this is by far the best Art Deco pocket watch we have ever come across. Overall this watch is in outstanding near mint condition, it looks as if it was rarely worn, it would make the perfect...
