Sold**Item Reference: SA253363****Date of manufacture: 1900**

Description

A really grand and impressive large magnifying glass. The handle is made by English or Scottish Antler horn, comfortable and tactile to hold. The tip and ferrule are both made from sterling silver hallmarked for Sheffield 1906. The nickel rimmed glass is of course new (by Hilkinson), making it perfect & most usable with a good magnification. A stunning desk-top accessory in excellent condition. Measures 11 1/2" in length with glass diameter of 5". Item ID: 35021 FREE Worldwide Registered Airmail Directly From London, England
