Item Reference: SA253486

Date of manufacture: 1870

Description

Pair C19th patinated bronze and gilt bronze campana-shaped urns. Well-cast pair of urns with relief of seated "Brittania" figure to both sides of bodies, garlanded wreaths to sides, 'egg-and-dart' rims, and gadrooned/fluted bases. Mounted on later quality twin-stepped granite bases. Gilt floriate ovals to handles and gilt rim to bodies. Good pair of classically-inspired campana form urns. H 12" Dia (top) 9". England c. 1870.
