Description

This is a very fine and exquisite example of a ladies wristwatch made by the world renowned premier Swiss maker Glycine. It has a platinum case surrounded by diamonds and then more diamonds to the the most beautifully designed lugs and this is complimented. As you would expect from Glycine the diamonds are bright, crisp and evenly matched. The double snake design bracelet is of solid 9ct white gold and has a three position clasp and loops for a safety chain should you wish to fit one, it just simply glides around the wrist. It has approximately 1cts of diamonds. It fits a maximum wrist size of 6.5 inches. It is quite stunning with a white dial which is in perfect unmarked condition and the peacock blue steel hands compliments this beautifully. A new scratch resistant mineral glass has been fitted and the watch and bracelet professionally cleaned and polished so it is absolutely pristine. It has a top grade 18 jewel adjusted to 4 positions manual wind movement, one of the very best quality and rarely found in ladies watches - it is an absolute gem, sparkling clean and in like new condition, this is a movement from the golden age of Swiss watchmaking. As you would ...
