Sold**Item Reference: SA254998****Date of manufacture: 1750**

Description

A good George III mahogany CHEST-ON-CHEST (or tallboy) in very good original condition and of good "warm" colour. Below the moulded solid mahogany cornice are two small and three long drawers to the upper section, and three further long drawers to the lower section. It is supported on original solid ogee feet. Of particular note are the fine, original (and very pretty) ornate handles, and matching escutcheons to each drawer. The drawers themselves all retain their good "dry" and clean oak linings ~ an excellent original example of an 18th century tallboy. 43ins wide (max); 68ins high. (109cms x 173cms)
