## Description

This is a very fine and beautiful example of a ladies wristwatch made by the world renowned premier Swiss maker Omega. It has a solid 18ct yellow gold case and is fitted to a beautiful cord strap with solid 9ct gold fittings and clasp. It is quite stunning, the dial is in perfect unmarked condition. A new glass has been fitted and the case and bracelet professionally cleaned and polished so it is absolutely pristine. This is the highly desirable Ladymatic model which has a fully automatic calibre 455 movement which is an absolute gem, sparkling clean and in like new condition, this is a movement from the golden age of Swiss watchmaking. As you would expect from Omega the watch is fully marked on the dial, movement and case. It also has the Omega logo on the crown. It comes complete with a new presentation box to keep your watch in perfect condition. Omega are one of the most exclusive makers in the world and this watch certainly has that understated elegance which resonates class. The watch case measures 18mm in diameter not including the crown. It will fit any size wrist as we can adjust it from 4" up to 10", just let us know the size you require. Overall this ...
