Description

J.C.CAILLY: a particularly fine quality mid-19th century FRENCH ORMOLU MANTEL CLOCK in perfect working order. Unusually, it is complete with its original and separate ormolu base (see picture below). The 8-day movement strikes hours and half-hours on a bell via the outside countwheel, with silk suspension. Signed both on the silvered dial and engraved on the backplate. 12ins high; 7.5ins wide and 5ins deep. (30 x 19 x 12.5 cms).
