Description

Quality Chest of Drawers - Victorian Pine - c1900 A very desirable quality antique chest of drawers in solid pine dating c1900. The piece is substantially crafted in solid pine and in very good condition and providing the classic '2 over 3' drawer configuration. Riding upon original feet the chest rises with three full width lower drawers offering excellent storage capability. Above these sit a pair of extended front over drawers. The chest benefits from wonderful styling and detailing with turned columns to the front and attractive moulded details. The drawer fronts display fine moulded detailing and have original lock escutcheons and handles. The quality of the chest is demonstrated with the robust dovetailing and thickness of the stock used throughout. Overall a well proportioned chest in very good order that will perform as a hugely practical item of furniture and look great in any location. Certainly a rarity in this configuration and condition. Delivered ready for the home. Please do not hesitate to contact us if you require further information - we are here to help 58cm (22.8") Deep 90cm (35.4") Tall 108cm (42.5") Wide.
