Description

Quality Oak Specimen Filing Drawers - Edwardian - c1910 A set of 24 filing specimen collectors drawers in oak originating London, England by Shaw-Walker Ltd. The drawers offer useful storage for collectors items or documentation. The internal dimensions of each drawer is 3cm deep x 47cm wide x 37cm front to back. Excellently presented in English oak with field panel ends the drawers are in two main sections which stack atop each other. Solid throughout showing pleasing grain, desirable colour, and providing superb practicality. The upper provides a moulded edge detail and is excellently presented wearing the makers label to the under edge. Quality solid brass original handle pulls are present on all drawers but one. One drawer is missing a slide internally. Perfect for any location and rare in this size and configuration. Delivered waxed, polished and ready for the home. Please do not hesitate to contact us if you require further information - we are here to help Height = 64cm (25.2") Depth = 44cm (17.3") Width = 107cm (42.1") Please see the images for the full dimensions of this item All our Antiques are supported by our 100% satisfaction guarantee We sh...
