Description

Outstanding Longines solid 18ct gold gents professionally serviced wristwatch. This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Longines. This is a very rare oversize model measuring 37mm in diameter not including the crown which makes this highly desirable. Almost all of these oversize watches which come onto the market have paper thin aftermarket 18ct gold cases but this one is a genuine and rare Longines manufactured heavy weight case and should not to be confused with these lightweight examples. The watch movement is the Longines calibre 27 with 17 jewels manual wind, beautifully made, totally reliable and as you can see it is in fabulous like new condition. The ivory coloured dial is in excellent condition with very slight aging. It has gilt hands, numerals and baton markers again all original. A new glass has been fitted and the case has been professionally polished this is a watch that looks and performs like new. As you would expect the watch is fully marked on the dial, movement and case. It comes complete with a new premium quality chestnut brown leather strap but a black leather strap can be ...
