

SA261491

PAIR OF ANTIQUE CARVED & GILDED CORINTHIAN COLUMN CAPITALS

Price

Sold**Item Reference: SA261491****Date of manufacture: 19th Century**

Description

This lovely PAIR OF ANTIQUE CARVED WOOD CORINTHIAN COLUMN CAPITALS are both decorated and gilded. There are several layers of decoration which have been added over the years. They are carved in quite deep relief. There is old worm infestation as can be seen from the photographs of the backs. One of the tops of the capitals is more worn than the other. Dimensions: Height: 10 inches (25.5 cm) Width: 10.5 inches (26.5 cm) Depth: 3.75 inches (9.5 cm) As can be seen from the photographs there are some losses.
