Description

Old pine 6 ft table with a drawer at each end. Circa:1900. Old Victorian pine table with a drawer at both ends and square, slightly tapered legs. Lots of character and in good condition for its age. Height:31.5" (Leg room:25"), width:40.5", length:72". Many old tables were originally made for lower chairs so were often an inch or 2 lower than modern tables. At some point, the legs of this table have been added to using small blocks to extend the legs. When waxed this shouldn't be noticeable. £97 for restoring and waxing..
