FINE CLASSICAL REGENCY DRAWING ROOM CHAIR

Price

Sold

Item Reference: SA262480

Date of manufacture: 1800

Description

FINE classical Regency period Scottish drawing room or music chair. Wonderful classical Regency design but made in Scotland from satin birch. Very good all original condition, the back panel which has a hand painted musical theme is especially nice. Canework seat is in very good order with no damage. Chairs retains a wonderful rich colour and patination only achieved from years of waxing. SIZES; 21" across the front. 33" high overall
